ABOUT ME

Currently pursuing a B.Tech in Computer Engineering (3rd year) at Birla Vishwakarma Mahavidhyalaya, Vidyanagar. Attended numerous seminars and webinars, building clarity on career objectives and gaining exposure to real-world project development through hackathons and open-source contributions.

EXPERIENCE

Qtonz Product Lab Internship

2026

Research, QA Automation & Product Development

Completed a 15-day product development internship as an AI/ML intern at Qtonz, contributing to QA automation research and Android application testing. Researched permission reporting, ad detection, and voice-controlled applications while collaborating with cross-functional teams. Gained hands-on experience in requirement analysis, product research, debugging, automation workflows, and agile development practices.

Meta x HuggingFace Hackathon

2026

Docker & OpenEnv Setup

Took part in the Meta x HuggingFace Hackathon, focusing on deploying and managing applications using Docker and OpenEnv. Worked on containerizing applications to ensure scalability and consistency across environments, gaining practical experience in DevOps concepts, environment configuration, and efficient deployment of AI-based solutions.

Odoo Hackathon

2026

Frontend & Database

Participated in the Odoo Hackathon, working on frontend technologies and database integration. Built a full-stack Budget Accounting System with a clean dashboard, real-time data handling, secure authentication, and PDF invoice generation, designed for real-world rental businesses.

Tic Tac Toe Hackathon

2025

Backend Developer

First hackathon experience, focused on learning how to build a project and work effectively as a team. Contributed to Career Compass, a tool guiding students on career paths integrated with an AI chatbot, implementing the backend using PHP and SQL.

Hacktoberfest

2025

Super Contributor

Completed Hacktoberfest, a global open-source software development event organized by DigitalOcean, earning Super Contributor rewards. Contribution included planting a tree as part of the initiative.
